

Helping Others Together Community Foundation

The Helping Others Together (HOT) Community Foundation brings people together to make our community a better place to live. We brighten the lives of struggling children and families, nimbly respond to local needs, and provide opportunities for our neighbors to make a real difference.

HOT is a non-profit 501(c)(3) charitable organization made up of neighbors and friends who care about struggling children and families in the West Valley. The organization is also an approved Qualifying Charitable Organization (QCO) in Arizona for 2021. Donors can take credit for donations using QCO code 22342. With no buildings and minimal operating expenses, we can focus all volunteer time and financial support on our mission.
